Mrs. Flocken, Mark & family
My thoughts & prayers go out to you on hearing of the passing of your beloved husband & father, Justin. I had the privilege of working in the Central Shop Trades & interacted in numerous projects with Justin during his career as a pipefitter. Also, i had an opportunity to speak with him recently after his return home from the hospital. We just talked about ALL THE GOOD TIMES that were shared over the years @ work. Justin was very positive & focused about getting back on his feet again and "just" being himself. Please find comfort in knowing now that he is resting peacefully with the Lord in heaven.

*I've known Justin, Marion and Mark for over 25 years. Spent a lot of time over those years talking "cars" with Justin as we both shared a passion for vehicles. He will be missed.
Please know my thoughts and those of the Maguire's Ford Family are with all of his Family and Friends.*
