“ I worked with Karen at Ingram Micro she was always very kind and quiet. Never heard her raise her voice or get angry. Praying for her family during this difficult time.

“ I'm lighting the virtual Rose candle..I remember very well she loved Rose..anything to do with a 🌹. I will never forget the times with this wonderful lady. I never knew her last name..just Karen..the sweet lady..who talks to anyone and anybody for anything. She was always there to listen, to talk to; she was always there. She talked with me alot about her son working Security, since i was Security where she worked for 10 years before i was transferred out. Words and emotions can't express how much she will be missed. The shock and dismay at such a troubled time yet, know that she isn't suffering anymore..she's home free. We Will Always Remember and Love You Karen. Sweet Lady & Friend.
