“ Dear Shaun and Mitch,
I'm so sorry for your loss. I honestly don't know what to say because Keath and I spent so much of our childhood together, and then grew apart with college and life in general. I look back fondly on all the time we spent together, whether it was youth group or school or just hanging out at each other's houses after school and making the long bike ride between our houses. I have so many memories of us together that I wish I could give to you to bring you comfort. Please know that my thoughts are with you, my prayers are with your whole family, and that he's at peace. I love you all!

“ Shaun and Mitch, My prayers and thoughts are with you. Keath was always polite and respectful every time I saw him, from the young boy to his adulthood. What a handsome young man. I envision Bob being one of the people meeting him in heaven. What a reunion. Bob had a special place in his heart for Keath and I believe Bob was special to him too. May the Lord give you peace, comfort and understanding and may you feel His loving presence around you. Sincere sympathy in love, Darlene (Dolly) Boltz
