“ I met Keith, for the first time, when he and Lori introduced us the Finger Lakes Wineries. We hit a "record" number of wineries with them, and still haven't been able to match it. Throughout the years, at Clark family gatherings and also the many times we were at the Hershey Campground and Keith always came and visited, when he was there driving bus, he always had such a great SMILE on his face. He was such a fun person and a truly GREAT person!!! He will be very missed!!! My love, hugs and prayers to the entire family!!! So sorry for your loss!!!

“ *I shared 58 wonderful years with my brother Keith. He and I had many fun adventures together. He and Lori introduced a few of us to the wine trails in New York, we still enjoy them today. He and I had a running joke since we were kids calling each other ugly and uglier, made many people give us weird looks as adults. I will miss him every day but I know he is in no more pain and surrounded my many family members, including our dad. So rest in peace ugly and know that I love you.*
