“ Keith: I will miss you so much! You were not only a co-worker but a great friend. You were the one person who would just call out of the blue to talk about everything but work. I will miss your smile and your laughter. Your passing has left a whole in my heart. Love always. Margo: I can only imagine the pain you're going through. He was a man full of life and one that should not have been cut short. He WILL be greatly missed by many people. Our prayers are with you and your family.
