“ Kelly was friends with my sister, Ann Black, since they were little. I used to enjoy when Kelly would sleep over and I would hear little giggles through the walls. She will be missed.

“ Mr. and Mrs. Dolan and family, Kelly and I worked together at BG's Value Market. She was someone with so much energy; a good worker; and someone who was fun to be around. The younger employees who worked after school were very fond of her and loved when she was working on their shifts. I also had the pleasure of sharing texts with her, listening to her flea market adventures with you, and we always had a fun time working together. I have only one regret and that is to speak to her one more time and tell her how much she meant to me. My deepest sympathy to you and please know that Kelly was a good person and did many things to help others, without expecting anything in return. She will remain in my thoughts and in my heart and I will miss her greatly.

“ I was shocked and saddened to see the passing of Kelly. Though it has been many years, I had the pleasure of working with Kelly for a few years back in the days of "Hess" (before Speedway). We almost always had great discussions about many things. Her zest for living and upbeat persona is what I will always remember about her! My condolences to her entire family.

“ I am so sorry and saddened to hear about the loss of someone so special. I knew Kelly from High School, she was a very talented, bright young lady who would give you the shoes on her feet if she thought someone needed them. I will forever remember her creative mind, her beautiful smile and admire her always.
