“ *My o my what memories we have of this man! He was part of our family and a good friend of my brothers. He was my very 1st LOVE at 5 yrs. old! I was so smitten by him, I would crawl under the kitchen table when he came into the house. Kenny was very special to us, always. The last time we met, was at my Mothers funeral in 1978. He was always the same character, but I had no table to crawl under nor would I have fit. I broke his heart, because I had married and had a son by that time. He was a special man to us!*

Condolences to the family from the Great State of Texas,
