“ *Dad
By an Unknown Author*

*We'll always remember
that special smile,
that caring heart,
that warm embrace,
you always gave us.
You being there
for Mom and us,
through good and bad times,
no matter what.
We'll always remember
you Dad because
they'll never be another one
to replace you in our hearts,
and the love we will always
have for you.*

“ Goodbye Dad

*It's never the right time
To say goodbye.
I will miss you, Dad,
And here is why.
You taught me so much:
To show no fear,
To always have fun,
And face the day with cheer.*

*You were always so able,
So fast and so strong.
In your little girl's eyes
You could do no wrong.
You would always listen,
And you never pried.
You were the arms around me
When I cried.*

*You never looked for praises,
And you were never one to boast.
You were always there
For those you loved the most.*

*You worked so hard,
And those strong working hands
Led me through life
And helped me understand
That life can be hard,
And tough, and sad,
But through it all
I had my Dad.*

*And because of you,
I understood*

*That life was actually
Pretty good.
I believe in you
And will follow your path,
And when things go wrong,
I'll look back and laugh.*

*I hope you can hear me
So I can let you know
That you were and will forever
Be my superhero.
So yes, today
I am full of sorrow,
But I will smile a little more
With each tomorrow.*

*So please, Dad, go
Be at rest
And know to me
You were always the best.*

I love you so much and miss you every day!

*I Love You Daddy
Risa*
