“ They say when someone touches your life, they leave a footprint on your heart - Kevin left many prints on our hearts - he was such a dear friend to Craig and I - he was a shining example of how to love your family and your spouse - we enjoyed camping, playing games, and visiting historical sites together - we miss you!! But, when we all get to heaven, what a day of rejoicing that will be with Kevin and so many other of God's children who have gone on before us - God Bless Janet and the entire Umberger family.

“ Kevin was more than a brother in-law to me, he was a friend and huge member of my Special Olympics family. His willingness to help and complete projects was inspiring. I could always turn to him and we would figure it out. I will truly miss his inspiration. Our bocce court and program was Kevin's pet. He did such a great job and I was so proud when it finished construction. Thank you Kevin for being my inspiration and motivation in Special Olympics. He was one of the first people I ask to help, of course Janet stepped in too, when I took over as manager. I will have many memories and laughs when I reflect on the past 12 plus years. You keep watch over us. We will miss you.
