“ *Kimmy Powell or as known by her friends from Inn 422 as Kimberleea... what can I say ...she treated everyone like family . She always took the time to really get to know people. She always wanted to help people . Nothing was ever too much trouble. Her crazy style was all her own... It's what made kimmy .. kimmy ! She was a one of a kind ...and a true friend and I will miss her greatly. But when I think of her I will remember all the wonderful memories that we made during our years of working together and smile. There is a new angel in Heaven and her name is Kimberleea*💕💕
