“*My deepest condolences to Larry's family. Larry was a best friend and a brother to me in our teenage years through school and beyond. Larry's family was like a second family and a second home to me throughout our teenage years and I was treated as family. Larry was also like a brother to my siblings as well. We were also work colleagues at multiple jobs throughout our lives. Larry and I had so much fun and crazy adventures throughout our years of friendship. We had such a large network of friends from all over there was never a dull moment. At times there were some lengthy periods we went different directions in life however we always ended up reconnecting somehow, somewhere in life. Larry will always be a brother and in my mind the Carpenters will always be family to me. My thoughts and prayers for the family. May my brother Larry rest in peace.  
God Bless you all,  
Lane*
