Tribute Wall

“ *I was very saddened to hear about aunt Laura's passing. A couple of years ago she had given me a bank that she and her siblings had played with as children and I remembered doing as well as a child at the farm. I was and still am deeply touched by her thoughtfulness. I look at it with fond memories of it, but more so of her. Susan Beck leesport*

“ *Our deepest sympathy to our Aunt Laura's family. She always had a special place in our family because of her kindness and love for our mom, Millie. Our mom always shared wonderful stories of growing up with Aunt Laura. I remember seeing her each week when she came to visit our Pappy John and Aunt Dora who lived with us. She lived a long and blessed life and will be missed.*
