“ On this Thanksgiving evening, I want to take the time to say that I have been very blessed and very thankful to have had the dad that was blessed to have. God gave me a fantastic dad! And he is the one that I would have chosen to be my dad if I had been given that opportunity. I want to say that I have the knowledge that my dad is in Heaven with his saviour who washed his sins away with his blood on the cross. And even though I am sad to know he has left this earthly body, I am so grateful to have the peace that dad really is in a better place. I will miss this man, but know that some day I will see him again. Thankful? Yes I am very thankful this day.
