“ *Brenda and Tim. Your mother and grandmother was a very special lady whose love for her family and the Lord was very evident in every conversation. She would have given you the world if it were in her power to give. What she did leave you was her wisdom, love and prayers that will follow every day of your lives. So sorry for your loss. You two are in our prayers.*

“ *To Brenda & Tim. My Auntie Lily will truly be missed and she was one of a kind. She was the strongest women, person I've ever known and I'm proud to have had her in my life. I will really miss those daily text messages she sent me at least twice a day. May she be at peace and surrounded by all her loved ones. For you Brenda & Tim, you will always remain in my daily prayers and if you ever need me, I'm only a phone call away. I love you both so much. Peace*
