“ We would call each other over the last 12 years, and share 3 groups together. When I went to Trinidad, I called her and showed her a visual tour, live of where I was staying, she loved it. A very kind, quiet person who had lots of love in her heart. I'll miss you my friend, Terry

I know Linda from a website Many Old Friends. I would enjoy the posts about her family and her pet fur baby. She will be truly missed by her online friends.

I knew Linda for over 10 years from our private Facebook group Many Old Friends. Through our posts we shared life changing moments, the loss of her partner, her illness, giving up her home .and fur baby but also her enjoyment of the patio at her sister's home, with a morning coffee. Linda will be missed!
