“ Linda has prayed for me many times and stated that God's will be done in each situation. I feel my walk with Jesus has deepened through these prayers. I have learned that God's will is not always what I want. In all situations I realize that God's will has shown me His  
and Linda's love for me.

“ Linda was a special lady. she loved to talk about the Lord. She gave you a little message with each hymn before she leads us in the song. Always smiling and I loved her hugs she gave you after church services. I will miss her dearly. My grandkids were always in awe when she signed a song as she sang. Our one grand daughter loved to imitate her . when she lead us in our hymns. But I know she is up in her forever home singing and celebrating.
