“ Lisa would submit a ticket and I would visit her to help her with technology issues, she was always happy to see me when I arrived with a big smile on her face. Her positivity and infectious smile would make it very easy to help her and I loved it. I'll miss seeing her and can't say enough positive things about her.

“ Lisa’s great laugh especially when around her kids is ingrained in my memory! And her thoughtfulness—2nd to none! While sitting on our porch in Rehoboth, both Tyler and Emily, then preteens, were trying to keep Jim and me “up with the times” ! Tyler was teaching me about YOLO and I kept saying Yoko! Emily was showing me how to fold my middle 3 fingers while extending the thumb and little finger. Just couldn’t get it! At week’s end Lisa presented us with a YOLO sign and a stand up wooden hand gesturing as Emily had taught us! She laughed her laugh and said”These are for you to remember Ty and Emily trying to help you be cool!!” I can hear her laugh right now! To Rick, Tyler and Emily may you keep her laugh in your heart forever! Mary Ellen Monos

“ Fitness connected me to Lisa. When I was in college in 1990 when she taught fitness class at Stephanie's in Lebanon. Her class was the reason I came home from college on the weekends! I reconnected with her at LVC when she taught there. She was the sweetest & inspiring person. I'm saddened by this news & extend my condolences to her friends and family.
