“ To know Lori was to love her. She was such a positive influence on everyone at work. I will always think of her with that friendly smile, warm and caring personality, and she was lots of fun as well. She loved her cats as I loved mine. They were her babies. After she was married, she was blessed with a daughter and I was so very happy for her. I have so many memories of Lori and they are precious to me.

“ Sad to hear of Lori's passing. It's been a long time but I remember our visits when we were kids, and enjoyed reconnecting with Don at my Mom's service. We are praying for your family.

“ *Lori was a great person and loved her grandchildren. Evan was her pride and joy. His "gigi". She loved job at Hershey medical center and the staff she worked with. I was a patient there as well. She loved Sarah and camping. And was a great friend. She will deeply be missed. I will see you in heaven again one day Lori when God calls me to his glorious kingdom above. He truly gained an Angel when he called you home. Thoughts, prayers and condolences to the family.*

Lori and I have been a long time friend and she was a wonderful person. She was a great gigi to evan. She was terrific to her staff and patients at Hershey medical center. (I am one of them) ..her passing will definitely be a huge loss for her grandson evan..he loved his gigi.....but God surely gained a Angel. Fly high Lori and I will see you again one day when my time comes to be in heaven with you. Prayers and condolences to the family.

“ What a beautiful pic of a beautiful soul...Lori was one of those treasured folks who was always friendly, warm and jovial no matter what. I will never forget her playing a flawless trumpet solo at her beloved mother's funeral. Lori was liked by all who knew her. The light of her life was her precious daughter, Sarah.

“ I was shocked and sad to hear of Lori's passing. Please know that many people loved her and will miss her. I worked with her at Penn State Health. She was always willing to listen and laugh. I can picture her sitting in her office with blanket and fingerless gloves on. Praying that God's loving arms will surround and support family and friends during this difficult time.
