

## Lori A. Pellman

September 6, 1957 - June 14, 2012

Lori Ann(ie) (Daub) Pellman of Lebanon went peacefully to sleep on June 14, 2012. She was the daughter of Pauline and Ira Daub of Palmyra who passed before her but continued to be an influence on her life in many ways. She was also predeceased by many aunts and uncles, most notably her Aunt Nora and Uncle George, who had a most profound influence on her life and the lives of her sisters. She was diagnosed with leukemia on March of 2009 and gave thanks to her Savior and Heavenly Father everyday that she spent on this earth subsequent to her diagnosis knowing that she did not walk alone through the challenges that she faced. She is survived by her beloved and cherished son Daniel A. Pellman and “daughter-in-law” Melissa Mull of Lebanon whom has brought much happiness to his life. She is also survived by her much loved sisters Karen Layman and husband Allen (Buddy) of Delaware, Janet Hoerner and husband Charles (Charlie) of Myerstown, and a sister Teresa Longenecker of Cleona, as well as all of their precious children, spouses and their children. Lori also has granddaughters living in Washinton State to whom she showed much love and devotion and continued to lift up to God continually even though they were geographically separated the last several years...she loved them so. Lori enjoyed her friends and all of the special people that were part of her life. She was often found singing and making people laugh. Lori graduated from Palmyra High School in 1975 and worked for the federal government for 35 years as well as holding other jobs on a part-time basis. But the main goal of her later years was to serve and

love her Lord and Savior. Although not physically with us anymore Lori will continue to touch every single person she'd come in contact with throughout her special time here on earth. She was an incredible woman and mother and she will always remain in our thoughts and hearts and will be greatly missed. A memorial visitation will be held Wednesday from 6-8pm from the Kreamer Funeral Home and Crematory, 618 E. Main St. Annville. Services and inurnment will be held at the convenience of her family.
