“ I grew up living directly beside Mrs. Fies and Vic and the entire extended Fies family for 24 years. What a wonderful family and wonderful neighbors! Some of the best childhood memories of my life playing for hours with her grandkids or sitting in the yard listening to the details of their cross country vacations. Will always remember having to sheepishly knock on their door every time a foul baseball from our yard would accidentally break one of their tool shed windows. They always just laughed and said "thats ok". They couldn't have been better neighbors.
