“ To Mike and your family, it was always cool when your Dad was at our ballgames back in the day. Felt kind of like a scout was in attendance when he was there. May you draw upon all the great memories you must have.

“ To the Sorrentino Family, I was deeply saddened to hear about the passing of Coach Sorrentino on Thursday. Although I haven't seen him in quite a while, I thought of him often as I reflected upon my playing days under he and Coach Flannery at the Valley. Coach Sorrentino was a great man and a lot of fun to be around and I learned a lot from him. His stories were entertaining and his advice was always on point. I wish you the very best during this most difficult time. You have suffered a great loss and so has the LVC family and all of those who knew this great man. Troy Krall LVC Class of 92'

“ Rosie and family: I am so very sorry to hear of Lou's passing. Even though I only was a teammate of Lou's for one year, he had a very strong influence on my college career and my life. I will always be thankful that I knew Lou and consider him one of the best men I ever knew and could call "friend". You will not be alone in missing him, and you will be in our prayers. Bob Nelson
