“*Lucille was a very special lady to us. When we moved to this area 33 years ago, she made us feel welcome very quickly. Over the years we had many good times together and whenever I visited her at the UCC Home, she always had a smile on her face. We know how much she loved her family as she would always smile when we asked about them. May God comfort you all and give you many good memories as you think of her. She was special!*”
