“ Cindy will be sadly missed as she was loved by many. I have known Cindy since we were kids during Elementary School through High School and many of days/nights at South 6th Street. She is truly one of my oldest and dearest friends. I will miss her smile and retorts..She was awesome. I'm so glad I got to see her at the Hospital. I had to embarass her and tell the Staff how in 1975 she was one of 2 girls to play Little League Baseball in the City League with Rescue 4. Cindy, I know your no longer in pain..Just watch over with Chuck until we all meet again my friend..love you and I'll miss you...

“ *Cindy, I hope you are at peace, pain free and eating French fries and gravy now. I'm going to miss your smile and your sparkling eyes. I will treasure our friendship for the rest of my days. You were the only person who could ever make me cave to peer-pressure and then you'd just laugh. You left a huge hole in so many people's hearts because you were so loved by many. Our girl group will never be the same but we will honor your memory whenever we are together. Thanks for all you ever did for me and especially our talks and hugs when Sharon was sick. You are the strongest woman I know. I will help Christine as she grieves for you. I love you forever girlfriend!*
