Aww, dear Lucy, what a fine caring nurse you were, and a bright light you were! We rode the school bus together and didn't live that far apart. You will be missed.

I loved Lucy. She was in my Red Hat group for many years and she was in a card club for a few years. I enjoyed being around her. She was also a huge presence at kochenderfer church and I worked with her in the kitchen often. She was certainly a servant of our Lord and I pray her family has peace in knowing she is with Him now. God bless all of her family and friends and those who believe will see her again
