“ Lyle always made my day when I would pick him up in Jonestown or when I would stop by & visit him. I would read some poems in his book, Laugh at his Hugh Hefner robe & corny jokes..(That he would forget most of the funny part.)  
Lyles office hours at Turkey Hill, 865-5555....  
I'll never forget getting Lyle in & out of the sidecar. That day was fun!  
Lyle's thoughtful gifts from his heart at times made me cry. I will really miss you my friend💕

“ Uncle Lyle your free spirit and authentic soul is a once in a lifetime privilege to have known. I feel extremely honored and blessed to have been influenced by someone who held no hate or judgment against anyone. That is a powerful thing to unknowingly teach. Theres so much I can say and to simplify it to a few sentences I cannot do. I love you so much and hope your heaven is everything you imagine. See you next adventure luv
