“ I remember a time one summer where he allowed me to work for him by helping to build a deck. I think he got tired of me bending the nails so he sent me to pick up lunch at Twin kiss in Manheim. I remember this because he gave me a chance to try and he always treated me with respect and kindness. He was a great person and someone who was always there for you. This trait lives on in his kids Stacy, Jeff and Steve please accept my deepest sympathies
