

## M. Mark Wine

January 31, 1943 - May 28, 2020

Mark Wine, 77, of Lebanon, died May, 28, 2020 at the Good Samaritan Hospital in Lebanon, Pennsylvania. Born January 31, 1943 in Lebanon to George and Hazel (Heatwole), Mark grew up in a large family with 13 siblings. He graduated from Cornwall High School in 1961 and trained as a barber before working in a mental hospital in Delaware during the Vietnam War. Mark met Dorothy Cress while working the fields at the family farm in Lebanon. Dorothy was a schoolteacher at the one-room schoolhouse adjacent to the farm. Mark and Dorothy were married on June 16, 1968 in South Lancaster, Massachusetts.

He then found success in the jewelry business which brought him and Dorothy to Albany, New York. They later settled in southern New Hampshire. His beloved wife, Dorothy, passed away in 2006. Upon his retirement from Long's Jewellers in 2009, he moved back to Lebanon where he was surrounded by his many siblings and friends. In retirement, he was anything but idle. He loved working as a driver for a dental lab and he enjoyed playing organ and piano at many churches and nursing homes. He was an active member and Elder in the Seventh Day Adventist Church of Lebanon and an active member and Organist/Pianist for the Richland Church of the Brethren. He was happiest spending time with his family at the Wine Family Cabin in Harrisonburg, VA and sharing coffee with his friends every morning at McDonalds.

Mark is survived by his son, Jamie, his daughter Jennifer and her husband Michael Sheahan, his two granddaughters, Molly and Samantha, his siblings

Audrey Shirk, Rachel Stover, and James Wine. He will be deeply missed by all including his beloved dog, Bandit.

A Celebration of Mark's life will be scheduled for a later date. In lieu of flowers, contributions can be made in his honor to the Seventh Day Adventist Church of Lebanon, 213 E Walnut St, Lebanon, PA 17042.

“ I met Mark through his sister Audrey and I would say we became friends, you didn't meet Mark and not become a friend. Mark played piano for a church a week or so before the "stay at home" order was given and he was so pleased that he did that because Rocherty had been Mark's home church while a young fellow and he felt at home there. Mark will certainly be missed, of course, by his family and his many friends that he made over the years. We know that he has entered into his heavenly home and is content and happy there.

“ We lived next door to the Wine family farm. We were the only kids on the road so we were playmates. I remember Mark for his smile. He was always pleasant. When you saw Mark somewhere he gave you a big hug and talked to you as if he saw you every day. He was talented and loved sharing his God given talent. The world was a better place with Mark in it. He will be missed. A friend Ferne Steckman

“ *The staff and residents of Juniper Village at Lebanon will greatly miss hearing Mark's beautiful music every month. Mark always brought energy and happiness to every visit, and the residents really looked forward to his visits to both of our personal care buildings every month. He would often stay to join us for the Juniper Gents Lunch Bunch, adding much to the conversation and camaraderie. Mark also got to know the staff quite well, and he always let me know that he was praying for special needs in my own family. I will greatly miss Mark, but I think that he would want us to celebrate his life and remember all of the joy that he brought into the lives of others. --Becky Duke, Connections Team Member, Juniper Village*
