“ I remember Peg very well! Knew her from Lawns Clothing Store where our friendship began, and even though we lost track of one another, I have never forgotten her. She was a fun friend. My heartfelt sympathy to the family. I know she will be missed! She was a sweetie.

“ Our sweet Aunt Peg....always a smile, always positive....you made our childhood growing up on the north side a better one. Your door was always open; in the winter when we got cold from sledding at the 'creek' yours was the first place we could count on to warm up (and what a plus if those snowflake cookies of yours were there!) And your caring personality, oh boy.....you always asked about our kids and husbands as we grew up....You will be missed so much.....love you!
