“ I know I'm 2 years late but I was just thinking about Marilyn. I am so saddened to hear of her passing. She was an angel on earth. When I didn't have dental insurance she worked with me so I could go to the dentist. She was kind, sweet, had a great sense of humor and I could tell she loved her job and people in general. I've never seen her not smiling she was always happy and eager to greet you when you came thru the door. She will be sorely missed.

“ I graduated with Marilyn and we used to hang together in school. I haven't seen her for many years. When I saw her photo, I immediately knew it was Marilyn Witmer, because she still has that beautiful straight hair and that infectious smile. What a sweet girl and sounds like she was as sweet of a woman. I am so sorry for your loss. I will be keeping you all in my prayers.
