“ To all of Marion's family, Marion was my mentor when I worked with her at Royer's Cakebox. She taught me everything I needed to know. I couldn't wait to get to work because I knew I would see her beautiful smiling face. She would often tell me about her family because she loved you's so much and she was very proud of each and everyone of you!Every time we got an order for Napoleans I would say, Marion here's an order for you and she would give me her her little laugh. She made working a JOY!I will never forget you Marion and I cherish our time together. I am proud to call you And Bud my FRIENDS.
