“ I had the privilege of working with Mark at PASD. Truly one of the great guys. Always available to help and guide and always available to share a laugh. Rosemary and Aaron, and the rest of Mark's family and friends, my deepest sympathies. He will be missed.

“ Mark worked for us at our computer store in Hershey, Eastcoast Software. He was always one of the good guys, ready to lend a hand in whatever needed doing and glad to spend the time with customers. More than just an employee he was a friend. I'm sad to say that after the store closed we lost contact with one another but I will always have good memories of him and his laugh. His time on earth was much too short. Our condolences to his family and friends.

“ *I've known Mark for nearly all of our 35 yrs in the Palmyra area. From his time at East Coast Software through all the kind help he gave at PASD, Mark was patient in helping solve technical problems. I enjoyed lunches with him the most at the middle school with the sophisticated crew of Schoffstall and Demers. Very interesting conversations during those lunches. My wife and I both had the pleasure of teaching Aaron & Rose at SJA and PASD. Mark left such a positive impact and his children will continue that legacy.*

“ *I have many fond memories of Mark from my days as an English teacher at Palmyra in the late 80's and early 90's. He always provided service with a smile and a generous amount of patience. What I'll never forget is his signature quick wit and all of the laughter we shared when we were colleagues. Sending prayers for peace and comfort to his family and all who loved him. ~ Denise VanBriggle*

“ I grew up going to the same church as the Bucher family. I am so very sorry to hear of Mark’s passing, my thoughts and prayers are with the entire family.

Favorite memory...

Coming out of youth group, Mark was going to teach me how to drive stick shift in the red Bucher family station wagon.

I was so excited! I got in the car and Mark said “push in the clutch”, I said “what’s a clutch?”, Mark said “GET OUT”...

He will be sadly missed by many.

“ So sad to hear about Marks passing. I knew him for the few short years I worked at PHS. He was always the kindest and most helpful co worker. Also supported his run for school board since I knew he always had the students best interest first and foremost! Prayers to his family.

“ Am profoundly sad at Mark's passing. My heart goes out to his family... My memory of Mark... when remote fixing of computer issues was established, he would move my mouse/cursor and freak me out, then stop by later that day to see if he made me smile! He had a gift of dedication and education for all of us "oldies"... He never ridiculed us for our ignorance but helped us! Mark's family was and is amazing... His children are phenomenal, and I remember meeting Mrs. Bucher at Parent's Nights and they were so dedicated to the well fare and happiness of their children! Mark's passing will affect many but his effect on all of us will be there forever! I am grieving with you... Karen (Jacobs, Lawrence) Van Newhyzen (retired MS Art teacher)

I, too, interacted with Mark a few times while he helped me with a laptop mishap. Mark was genuine, patient and kind. I am so sorry for your loss.
