“ I'm sorry that I cannot attend the services for Grandpa. I found out Thursday night and I cannot get off work. My prayers and sympathy go out to the family. Although circumstances prevented Grandpa and I from every being really close, I will always have a special place in my heart for him. Through short yearly visits, the occassional run in at McDonald's, Walmart, and the auction houses, he always made time to get caught up to date with what was happening in my life.
