“ *Toni, Jo Miller and I went to Ocean City MD. We sat under our umbrella, splashed in the ocean, found sea shells, listened to the sound of the waves and watched the sea gulls. We ate fudge, salt water taffy and eat the famous shore fries with vinegar and salt. We talked and laughed ourselves silly. I can hear her laughing even now. Love you 🥰 Toni Becky Showers*

“ *Many years ago, I was in a band with her son Rusty, and this is how I got to know her. We were there in her home a lot practicing, and we were loud most of the time. She never complained and she was always so sweet. Through the years we stayed in touch, and I have not one bad word to say about this lady. She was a saint for sure. Earth will miss her kind spirit....*
