“ *Mary was my classmate since first grade. Always a likeable person who did not mince words. She told it like it was. It was always great to see her at class function and enjoy memories and a few god laughs. May she rest in the Lord who created her for Himself. Rest in Peace, Mary til we meet again. Aunt Mary, you will be forever missed. I will always remember our beach days in Atlantic City. I enjoyed coming to see you every 14 days so I could hear you cry about me having to put your Libre in your arm. You are one of a kind. May you rest in the Lords arms this day in heaven. Love you till we meet again
