“ My mother was the best friend a person could ever have. She was mine and we did lots of things together. We went to Roots and we always had to stop at McDonald's for lunch afterward. I remember when we went to spaghetti suppers, she always brought a bib for me (and I wore it.)It's been a year now and it still hurts as if it was yesterday. I miss you mama and my memories will forever be in my heart. I love you mama!

“ Donna, Marion & Scotty Our prayers and thoughts are with you at this difficult time. Your mom was a very special person. We will miss her at all the picnics. Remember all the good times we had with her when she would win the raffle meat trays and 50/50's.

“*Mary is my mom. She was very considerate woman. She would be very understanding. She will now be with her sole mate, my dad. They will both be watching over us from above. We will all miss her. She loved to play bingo with me and others. Every birthday she made us something for our birthday, be it a cake or cookies. She would watch the peacocks that would visit her. Plus the birds she would give them food to eat. I will remember you in my heart. I will always have tears for you. I loved you very much and daddy. You are now with the angels. I am sure you will be flying over to keep me safe. Love you lots, Donna*
