Oh, What a nice trip down memory lane with Aunt Mickey! I have fond memories of Mammy & Pappy Saphore! I loved going to visit them and sleeping over sometimes! It was especially fun when the Saphore cousins were there, too!

“ I have always loved my Aunt Mickey, and I will miss her! She was a very kind and thoughtful aunt. She even remembered to call me on my birthday to say, "Happy Birthday" and to talk. I always enjoyed when she and my mom and Aunt Ruthie would go out to eat in January for their birthdays and take Hazel Bross and all the daughters along! It was a fun time to be with aunts and cousins and friends! It was so nice to have Aunt Mickey and Stan at my house in August for a "mini" Saphore Reunion! My mom and my Aunt Mickey passed into Heaven exactly 2 months apart. I'm so sorry that they are gone from this world, but we know that they are rejoicing in Heaven with their Savior, Jesus, and with their mom and others that have gone before! We will see them again when our time comes. 💖🙏

“ Such a sweet lady! Many memories of your family and the house on the side of the "mountain." Rest in peace.

Thank you for sharing this video of your mom/my Aunt Mickey, Stan!! I loved seeing the old pictures of her and the rest of your family! They brought back good memories of those times when we were young, Cousin! We spent a lot of time together and had a lot of fun!! I also remember getting in trouble in first grade, because you & I would be talking to each other too much! 😊 Love you!

You and I are in the same class (school) and family, something I'm blessed with forever. Your recollections above are equally precious, Thel. Glad we got to have some nice photos of that valuable reunion, especially of Mom, thanks to you. BTW, if you would email pics what you have of the group gathered before we all departed that day. Love you, Stan

“ Mom, today, hours after you left us to wind and rain showing earth its displeasure of you moving away from all this joyless calamity. Not surprisingly, already the skies are clearing for the sign of sunnier days ahead like that youthful, wholesome smile belonging to a gem that never loses the polish.

I love you for those gifts and many more hugs and kisses which I only came to appreciate later in life. Their rare value is incalculable. A mother's bond in life is not forfeited by her inevitable passage from here to anxiously meet those elsewhere. Can I begin to imagine these coming days devoid of your humor, stamina and fortitude displayed without cruelty or malice. No, but I will try each day for you.

There is not another “Mickey” Mom, in the cosmos like you. I promised you many times I will meet you and the others soon. I will by the greatest love of all and you'll be waiting.
