“ Kim,
I am truly sorry to hear of Merrell's passing. I know there is nothing that I can say to make the pain go away. We all had some really good times and memories, despite the bad times. I believe that she is in a better place now, alongside the rest of your family. Take care of yourself. I hope you have people who love you to lean on. Again I am so, so sorry she is gone. I know what you meant to each other. With deepest sympathy and caring.

“ I have many wonderful memories of my cousin, Merrel. We caught up on holidays and had several vacations together when I was growing up. She had a fun sense of humor and once you got her laughing, her laughter became contagious. She was incredibly intelligent and always took the time to see how everyone was doing- she was down to earth and thoughtful. I'm happy I was able to reconnect with her more in my adult years. I will miss our talks during the holidays and family gatherings. She was loved and will be missed greatly <3 cousin, Jordan
