Very well said Fran. Mike was a great worker. We worked together for the last eight years, pumped out the Uline freight at the end of his shift. Big, Big Penn State fan, I know how much Mike looked forward to the fall..... He is missed by all..... RIP Horndog..... We Are.....

I met and worked alongside Mike at New Penn as well. He always lent a helping hand when I was in a bind. I remember he would usually pass on a load so I could get off the dock. Lol. This is truly sad news.
