I knew Mike from our very first day at HARRISON. We became good buddies along with Harry Heagy and girls as part of our Northside independent borough gang. We stayed friends through LH.S graduation in 1963. I met his family also and they were more than generous to me. Mike was one of the best as was his whole family. He'll be missed. REST IN PEACE MY FRIEND.

“ Mike was such an interesting guy. He and I met at the LVC Sports Center. We both enjoyed watching LVC basketball games together. I made it a habit to tap Mike for info on Penn St. football. He included me several times to attend games when he had a spare ticket. He introduced me to some of his classmates with whom I had a common bond in that I attended William Penn in Hbg. Dick Brown was one of those classmates. I will miss mike more than anyone knows. Patricia and I send the entire Bowman family our condolences and prayers. Go with God my friend. I'm sure you and Joe have a lot to discuss.
