“ *Michael was a kind and gentle soul. Always a smile, very friendly, joyful and kind of heart. We have had the pleasure and privilege of knowing him, Patti and David for the last 6 years. They are a wonderful and special family. We will dearly miss Michael and all of his songs, questions and bright spirit. He always put a smile on our faces. He will always hold a special place in our hearts... Gone way to soon... Our sincere condolences to his family. We are so sorry for your loss. Our prayers are with you during this most difficult time. Heaven has a new angel and we are all blessed to have a special Guardian watching over us.*

“ From a tiny kindergartener to a high school student to a young adult there was always one thing I could be sure of, I would be greater with a smile and a warm greeting. He always had a smile, a song, and a few kind words no matter who you were. He will be missed, but I'm sure Heaven is a bit brighter since his arrival. I wish you peace and comfort until you see one another again for remember it is only farewell for a little while. Michelle Weisman

“ i only knew Michael for a short time because i am new to One A-Chord Choir this year. I will never forget the joy he brought to the choir and his passion for the Jesus he sang about. At the right moment of a song when there was good reason to express excitement and joy, i could always count on Michael to chime in. His love for Jesus was sincere and contagious. i want to say something to Michael's Mom. Thank you for the example of love and care that you showed the rest of us without expecting anything in return. Know that your love for Michael and the many numerous hours of care you gave him was not unnoticed nor in vain. You are a testimony to the rest of the "church" how our love for one another ought to be. I will miss Michael beside his Mom. Kevin Eshleman
