“ I had only known Mike for a short period of time--probably less than a year. He had sold me on giving his company a shot and we formed a great relationship. You could talk sports with him for hours--especially Eagles football of which we were both huge fans. We talked about moves that we would make and planned on seeing a game together next season. I'm shocked and saddened by this tragedy. My sincerest condolences to his family. Mike was a heck of a guy.

“ I had the honor and pleasure of working with Mike. He was my all-time favorite sales person. He was loved and respected by his coworkers and customers. He was always polite and professional and brought smiles to the faces of everyone he came into contact with in the course of the day. He was so proud of his family and often mentioned his wife, son and grandchildren. He brightened many of my days with funny stories about customers, family and life in general. I've never heard anyone say an unkind word about Mike. My heart goes out to your family. I have been praying for you and will continue. I am so sorry for your loss. I miss him already and still can't believe I'll never hear another "Hey, kid!" on the other end of the phone when I pick up and I will forever miss Mike's contagious heartfelt laugh. He was a wonderful, kind and helpful person. I know you don't know many if any of us here at Central Transport in the Detroit area but I can assure you Mike was one of the greatest people we've ever worked with. Nothing but wonderful kind things are said about him and remembered. I pray for strength, comfort and hope for your family. My heart breaks for you. Wishing you God's blessings and comfort. Sincerely, Jennifer Moore - Central Transport Operations

“ Sandy and family, I was sorry to here of your loss. I have to tell you that Mike was one of the nicest men that I ever had the pleasure to work with during my career in trucking. Even as I was leaving Central Transport he gave me his card and told me if i ever needed help to give him a call. The world is a sadder place without him. Again, my sympathies to you and your family. May God bless you today and always. Rest in peace Mike. Ken and Pauline Kerestus

“ We were shocked when we heard the news and thought back to the "good times" in Mt Pocono and Detroit for President's Club Days. Mike was a "good guy"! Our thoughts and prayers to the family and pray you find strength in knowing that one day you will all be together again.

“ Kelliher Family, Mike was respected by all in the transportation industry because of his hard work and dedication. He was a fierce, consistent competitor at his job and on the golf course. Many tried to be like him, wish they could be him, and usually fell short in comparison. Mike earned the respect of everyone that came in contact with him by his actions. All of us in the trucking industry mourn the loss of a great co-worker and friend. Sleep Tight Mike!
