“ I found myself randomly searching my Grandpa's books today and here it is July 25th 2021 two years since he has passed. My Grandpa was a great man, and I remember last time he visited us when my brother and I were outside him with the telescope and a large comet flew across the sky; a quiet but cheerful person who is missed by his fam.

“ I am so sorry that I did not know of Michael's death when it occurred. He was a good friend and an admired colleague in my first decade and Saint Vincent. His passing is a great loss, to his community, to family, to his decades of students at Saint Vincent and beyond.
