“ *Michael was a wonderful man of god. He was attending my in laws church, Arc of Noah in Lebanon. I also had the privilege of being one of his nightly aids. Michaels love for the lord was so great. He never passed by a person without saying “god bless you” or “jesus loves you”. His testimony was big and i enjoyed every moment i could hear a story about it. Because from what he was then, to what he was when the lord took his home was two totally different people. I was always inspired by how independent he was, even though the state he was in. He loved to cook his chicken wings and steak with mushrooms, or his potato filling. He also wanted to travel the world in his RV preaching the word of god and feeding the homeless but never got a chance to. He also loved planting his trees around his property. I'm so grateful to have been able to see him accomplish that, and see him sit in his driveway everyday i worked, Looking at his property and just thanking god for making a way. He had so many plans here on earth, but i thank god that he saved his soul and took him home. Where he can walk again and be in his best shape. We all love and miss you Michael! And it was a pleasure knowing you in the time i did!*
