“ *So sorry for your loss. Mike was such a laid back friend, to all of us. He taught Jerry everything he needed to know about Pa., hunting regulations. The trick was to get home before Willy. Thoughts and prayers are with you all. Love to all of you. Hugs, Pat and Jerry Hitchcox and sons.*

“ Great high school memories of a good friend. Playing the French Horn, track and soccer, hanging out at the Co-Ed playing pinball. Quick, dry sense of humor. Quiet, low-key, inclusive personality. Mike was helpful, kind, made friends easily and was always respectful of others. People were drawn to him and enjoyed his company. I can sit back now and picture his smile working it's way across his face.

Will not mourn his death but rather celebrate the time he spent among us.

“ So sorry for your loss. Mike was always the quiet one of the three boys, as I remember, growing up next door to the Wentlings, on Main Street in Annville. I also remember watching Mike play baseball across from our house, on High Street, in Annville. He was always very nice to my family and pleasant to speak with.
