“ *I will never forget that sleepy smile of yours strolling into work at 4AM. Nor will I ever forget your walk dragging your sprayer with you. Rest in peace Posey. May God hold your family near at this most difficult time.* ”

“ *Mike, I will always remember when I would call for my mom (Genale), and you would take the extra time to talk to me. You would tell me jokes, and make me laugh. You are a special guy who was so funny. You always cheered me up. Thank you. You will be missed. R.I.P.* ”

“ *Mike, I always loved calling for my mom (Genale) because you always made me laugh a lot. You called me "brows" because one time I shaved my eye brows off (ha ha). I was only 6 at the time. You always told me such funny jokes, and were silly. One time when my bunny poohed on the couch and I was worried about mom getting made, you told me to put them in a raisin box, to hide from my mom. I always laugh about that. I will always remember all the times you made me laugh and cheered me up. You are a great guy. God is with you.* ”

“ Oh the memories. I remember when you were in my wedding. The day you were at my place dancing and bouncing off the floor on your knees. The next day they were so swollen you could not see them but you had a great time like always. You will be missed old buddy and I'll never forget those great times we had at work either.

“ I shall never forget you Michael. We were hired the same day, got layed off together with other friends and hung out together. After our jobs separated us, we still got to say hello and how are you. You will be missed by a lot of your friends. Rest in Peace! God Bless

“ Mike, Gosh, where to start--you were such a wonderful friend. You made work fun! I loved the laughs, talks, jokes, smiles..there were SO many! I'll cherish the special times forever. You had such a loving spirit, but guarded it. My girls enjoyed when you let that guard down--played Barbies w/ Kayli. Jokes w/ Jami. (ILY and IMY!) We had a class together; you told me your BIG secret; why you would not cut your hair. I NEVER told anyone. (OUR SECRET!) Thanks for always being there for me--when I needed a friend so much!
