

Michael T. McCaffery

August 15, 1957 - August 12, 2025

Michael McCaffery, 67, of Lebanon, passed peacefully on August 12, 2025 at home. He lived life with a generous heart and a contagious passion, leaving behind a legacy of love and cherished memories.

He met the love of his life, Mandy, while working at the Hershey Medical Center. Theirs is the love fairytales are based on, fueled by rides on high octane Harley Davidson bikes, moviecations, and countless sticky (love) notes. Together they traveled the lower 48, flew across the pond to the UK, and cuddled with their teacup Yorkshire Terrier Pixie.

He is survived by his loving and devoted wife, Mandy; parents, Clair and Carlene Markey; and his children and their families: Sabrinah and her husband Eric Chappell, with children Alora and August; Deavon and his wife Tiffany Wang; Chelsea and her husband Anthony Williams, with children Nash, Indy, Benjamin, and daughter due to arrive in September.

He had a storied career working over four decades for Penn State Health at the Milton S. Hershey Medical Center.

First, as a prototype machinist, he designed unique equipment, medical devices, and sophisticated surgical tools, contributing to the design of the artificial heart and the invention of a unique scalpel used in pathology.

Later, as a telecommunications engineer he was instrumental in improving E911 services for large facilities.

His hobbies included sailing, flying RC and SIMs, motorcycling, and any excuse to spend time in his Kubota tractor with his beloved Pixie, by his side.

“ *My sincere condolences to Mike's family. I went to both Lebanon High School and Annville High School with Mike. I was surprised that he had transferred to ACHS for his senior year too. Unfortunately, our life paths took different directions, and I lost touch with him. Rest peacefully my friend.*

I suppose I should tell you that I have settled in the UK, so I am now on the wrong side of history as it relates to Paul Revere and the rebellious colonies. ;)

“ Thank you for always being there; for always knowing what to say whether or not it's what I needed to hear; for spending (almost) every Christmas with me no matter where I happened to be in the world; for being my dad. I am so lucky to be your son. It has been an honour and a privilege.

I love you. I miss you.
