“ Mrs. Lemon was truly the best teacher in the entire AC school district. I remember her classroom vividly. I even remember some of the outfits she would wear. If only every teacher could have an ounce of the uniqueness and special gift Mrs. Lemon had. She was loving to all of her students and I am very sorry to hear that she has passed. She has a special place in Heaven with all the little children playing her big bass.

“ Stu, We are so sorry for your loss, your mom was a lovely lady. Keep all her memories close to your heart and know that she is with your father and sister, is pain free and has all her memories of you back. She's smiling down at you and knows that you did everything you could to make her life better. Our love and friendship always, Jill and Don
