“ *I have a lot of warm memories of my sweet Aunt Mollie. She was only 8 years older than me, so I remember her when she stayed with us for awhile and I believe she met her husband Harold Warren at Walker Air Force Base just a short distance from where we lived South of Roswell. I have very few memories of either her or Uncle Harold after they married because they moved to Pennsylvania not long after that and we never got to see them except once in a while. Then, in the early 2000s, my husband Malcolm and I moved to Maryland and he took a job in DC. While we lived there, we were finally close enough to where Aunt Mollie lived to drive over there and visit several times. In fact, we were able to attend her 70th Birthday party that her kids threw for her. I loved being around her and Bill and her kids and grandkids. She was the sweetest person and Malcolm and I will miss her dearly. Our sincerest Love and Prayers go out to Bill and the entire family at this time of great sorrow. I am sure that Aunt Mollie is overjoyed to finally be with so many of her family members and friends who preceded her in death and to finally be out of her pain.*

“ I will never forget how kind Mollie and her family were to me at a difficult time in my life when I was younger. She took me into her home and treated me like one of her daughters. She even left me drive her Cadillac at my driver's test to get my license. That is only one of the many ways I was cared for by Mollie and her family. Thank you Midge for being my friend and for taking me home with you that day and sharing your family with me and for everything you and they have done for me. It was truly such a loving thing to do. Fly with the angels Mollie and rest in eternal peace. Deepest sympathy to all of Mollie's family and friends. May you be comforted by your sweet memories and by knowing Mollie lives in your heart.
