“ *I have the fondest memories "growing up" with Aunt Myrt and the extended group of cousins, aunts and uncles. It was not unusual for 50 of us to gather around the fire on a Saturday night, kids running around everywhere. She made the best Fausnachts! Aunt Myrt was witty and devilish in the nicest way. My love to the family, she will be missed. Love Cheryl*

“ *During the years, our most treasured friends till age and distance separated us. We had the most possible fun times with Scott and Myrt when square dancing then laughing until the wee hours of the morning. Now she has joined Scott, imagine the reminiscing and maybe an occasional do-se-do in heaven. The family was always been the nearest and dearest to Myrt. She will be missed for sure, but she left LOTS of good memories. My sincere sympathy for your loss, but it is her gain.*
