“ Love you Nana. Thank you for the cookie dough, coloring books, love, light, laughter, teaching me and my mother about pranks and humor and what it means to be a bad ass woman. I'm happy I got to know you as a kid and we became friends as adults. If I ever go to England I know you'll be there with me! Everytime I scream in a movie or on stage it's for you!!! Love you and I'll see you on the flip side <3
